WASHINGTON 25, D. C.

January 18, 1957

To All ADE Field Activities Stations:

Enclosed is a supplemental list of stockyards and slaughtering establishments specifically approved to handle cattle in interstate commerce under Sections 78.14 (b) and 78.15 (b), Title 9, Code of Federal Regulations.

Please reproduce this information and distribute to all accredited veterinarians, railroad companies, trucking agencies, slaughtering establishments, County Agents, Cattlemen Associations, and other interested parties in your State.

You will be provided with additional lists as other stockyards and slaughtering establishments are approved.

This listing will also appear in an early issue of the Federal Register.

The two previous lists forwarded on January 4 and January 11 should be numbered 1 and 2, respectively.

A handwritten signature in cursive script, appearing to read "R. J. Anderson".
